CHAPTER 1

One dark stormy, rainy night. Bob was at his house laying down...Then all of a sudden he saw a quick flash of light. Then in a blink of an I everything went pitch black...Lena was getting ready for work when her phone rang it wa detective kimberly. "Sir," Kimberly cried "body found on 668 st. in Carbondale New York house 168."Lena yelled,"ok I'll see you there." (they hang up).

When Captain of NYPD shows to the house she sees detective Mikayla, of NYPD, Jake detective of NYPD, and Kimberly detective of NYPD. "So what's the scoop?" said, Lena. "Well," Jake said, " he died about 10-12...He was stabbed 20 times. "Wow, Lena said," that's a lot I wonder why the killer stabbed Bob 20 times. Thats an awful lot. We also found a suspect."Oh, said Lena." So who's the lucky winner now?

CHAPTER 2

He drives a chevy mustang,5'7 tall,bald does not have a rough background,no family."His records are clean cause I checked them," Mikayla said. He's never had gotten in trouble from the cops, he also hasn't been to jail period. "Well if he has been good and no records then why would he kill someone it just doesn't add up", Lena Says

“Do you know where he lives?” questioned Lena. “Yes we sure do”,said Jake. “We will go to his house and take him to the precinct and get him questioned,”Lena told them. “Sounds like a plan,”Mikayla says.

2 Hours Later

They interviewed the person at the precinct he ended up not being the killer. So we need to keep looking and finding out who killed Bob and why.

CHAPTER 3

We also never did know his name he said he went by the name Adam. When all of a sudden this weird man came up and said she's dead, she's dead Sarah's dead. "who's Sarah Kimberly asked?" Sarah is my granddaughter and she's dead "please find out who killed her the weird man said." she's only 12 years old.

“We will besides that’s what we do here at NYPD” said Lena. “So we need to find Bob’s killer we were so close of getting the person behind bars for the murder of him” Jake said. We went and found Bobs killer his name was Garrett. He was a old friend of Bob's. Garrett killed Bob because Bob stole his woman 15 years ago and he never got over it.

CHAPTER 4

Now we have to find Sarah's killer now that's going to be fun. Sarah's mother came in the precinct whimpering. "Sarah's mother came crying out a river." "Who would do this to my innocent daughter she said?" "We don't know that yet" Mikayla yelled. "Sarah was as cold as ice when we found her body." She was also bruised up. She's been there for a while, it took an awful lot for Sarah's grandpa to come and tell us what happened her body is not that far away from the precinct. That is kind of suspicious

CHAPTER 5

“Well we don’t know who killed Sarah” Lena said. “But we need to find out who killed her so her mom will calm down” said Mikayla. “I agree 100% with you” said Jake. “Who would want to kill a 12 year old girl who doesn’t even have a job yet and still goes to school and isn’t driving yet?” Kimberly said... “Well that's what we need to find out” yelled Lena.

Suspects

.....4 days passed and still no found of Sarah's killer. We found her father he's a suspect...So we questioned him at the precinct. He says now why in the world would I kill my 12 year old daughter. We don't know so why don't you tell us why you did..."NO I REFUSE!!!!!!! to because I love her and I wouldn't do anything to hurt her." Sarah's dad said. "Well then who would" Lena yelled back in anger. I don't know he glared at me like i was a idiot. "Where were you on the day she was killed 3-5 am?" Lena said... "I was at my house a sleep you can ask my wife she would know i was there!!!" "OH don't worry I will check into it." Lena said

CHAPTER 6

Well coming to find out Sarah's dad wasn't the killer after all..."Wait SIR there is something I have to tell you" Kimberly said. "What is it?" Lena questioned..... "Well sarah's my step sister" Kimberly said. "WHY DIDN'T YOU TELL ME THIS KIMBERLY THE FIRST THING WE FOUND OUT ABOUT SARAH'S DEATH????!!!!!!!"....(complete silence entered the room when Lena said that) There's more she said in a sad voice, not only she's my sister but I killed her. "WOW!!!!!!! WHY DIDN'T YOU TELL ME ANY OF THAT KIMBERLY" LENA YELLED. "Well sir I knew I would get in trouble and lose my job and everything" Kimberly said. "you're right" Lena said

TO BE CONTINUED.....

CHAPTER 7

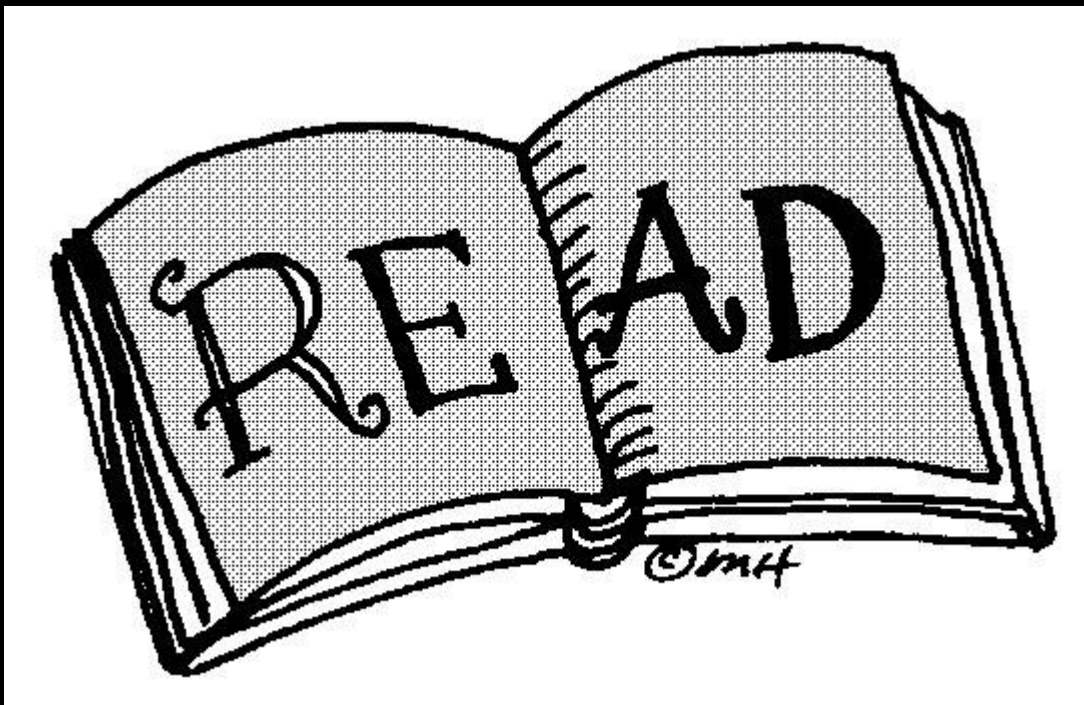

"Kimberly i'm really mad,sad,angry,upset,and disappointed in you" Lena said. (Lena shook her head. Kimberly you are under arrest for the murder of Sarah Wimer (aka step sister).....
